

Amendments to the Drawings:

The attached replacement sheets of drawings include changes to original FIGs. 1-19. Original FIG. 12 is a duplicate of original FIG. 9 and original FIGs. 16-19 include sequence listings that have been separately submitted under the requirements of 37 C.F.R. 1.821-1.825. Therefore, original FIGs. 12, 16-19 have been deleted and original FIGs. 13-15 have been renumbered as new FIGs. 12-14, respectively. Further, replacement drawing FIGs. 1-14 have been amended to reflect the changes required by the draftsman in the February 16, 1999 Notice of Draftsman's Patent Drawing Review.

Remarks

Figures 1-14 have been amended to comply with the February 16, 1999 Notice of Draftsperson's Patent Drawing Review and the specification has been amended to correspond with the changes in the drawings. A clean version of the allowed claims has been included for the Examiner's convenience. Applicant respectfully submits that no new matter has been added by way of this amendment. Applicant respectfully requests that this amendment be entered without withdrawing the application from issue, pursuant to 37 C.F.R. 1.312.

Respectfully submitted,

Christine M. Rebman
Attorney for Applicant
